Registered address:
University Foundation
11, Egmont street
B-1000 BRUSSELS

ORGANIZING COMMITTEE

Jean Schoenen MD-ULiège (*chair*)
e-mail: jschoenen@uliege.be
Tel: +32 (0)4 3218663 Fax: +32 (0)4 3216451

Steven Laureys MD-ULiège (*chair*)
e-mail: Steven.Laureys@ulg.ac.be
Tel: +32 (0)4 3662444

Rufin Vogels PhD-KULeuven (*abstract coordinator*)
e-mail: rufin.vogels@med.kuleuven.be
Tel: +32(0)16330028

Charles van der Straten Waillet-National MS
Ligue (*treasurer*)
e-mail: ms.sep@ms-sep.be
Tel: +32(0)27361638

Chris Baeken MD-UGent

Alain Chaspierre Pharm.-APB

Gianni Franco MD-EpiC

Adrian Ivanoiu MD-Belgian Dementia Council

Hendrik Kajosch MD-Société Royale de Médecine
Mentale de Belgique

Lia Le Roy-Werkgroep Hersentumoren

Roland Pochet PhD- European Dana Alliance for
the Brain (*registration manager*)

Laurence Ris PhD-Belgian Society for
Neuroscience

Geert Van Gassen PhD-TEVA Pharmaceuticals

Dirk Van Roost MD-UGent

ORGANIZING COMPANY

Yolande Piette Communication

Belgian Brain Congress 2018

Friday October 19th Liège – Palais des Congrès

“NOVEL STRATEGIES FOR NEUROLOGICAL AND MENTAL DISORDERS: SCIENTIFIC BASIS AND VALUE FOR PATIENT-CENTERED CARE.”

8:30-9:00: **e-posters & coffee** (Chairs: L. Ris, B. Malgrange, W. Fias, A. Ivanoiu, H. Kajosch)

Topic 1. NON-INVASIVE NEUROMODULATION (Chairs: A. Thibaut, Ch. Baeken)

9:00-9:30: *Transcranial direct/alternating current stimulation: what is the neural basis?*
(**Bart Krekelberg-USA/NL**)

9:30-10:00: *Transcranial magnetic and direct current stimulation in neuropsychiatric disorders:
state of the art* (**Michael Nitsche-D**)

10:00-11:00: **e-posters & coffee** (Chairs: L. Ris, B. Malgrange, W. Fias, A. Ivanoiu, H. Kajosch)

Satellite Symposia on novel pharmacotherapies (Coordinator: G. Van Gassen)

11:00-12:00: **CGRP mAbs in Migraine therapy** (Teva & Novartis & Lilly)

12:00-13:00: **Therapeutic advances in Primary Progressive Multiple Sclerosis** (Roche)

13:00-13:30 : lunch & posters

13:30-14:30: Keynote lecture & debate:

*The multiple timescale of brain plasticity: importance for the restoration of brain function, a
real challenge for society.*

Jean-Pierre Changeux –F (neurobiologist)
(Moderators: Pierre Kroll & Steven Laureys)

14:30-15:30: **Medico-social Workshop 1**

“Integrated care in brain disorders. Quo vadis?”

(Moderators: Lia Le Roy, Charles Van der Straten)

Topic 2. THE GUT-BRAIN AXIS (Chairs: M. D’Hooghe, R. Vogels)

15:30-16:00: *Gut-brain integration* (**Lukas Van Oudenhove-KUL**)

16:00-16:30: *Microbiota and the healthy/diseased brain* (**Gerard Clarke-IRL**)

16:30-17:30: **Medico-social Workshop 2**

*“Therapeutic adherence: how to improve it? Artificial intelligence: friend or foe for society and
health care? ”*

(Participants : Gianni Franco, Alain Chaspierre, Azèle Mathieu, Cécile Dury, Marc Tomas)

17:30-18:00: closure, poster prizes & cocktail

NB:

- congress organizing company: Yolande Piette Communication

(yolande@piettecommunication.com)

- free poster presentations :

◦ all posters as e-posters: CREATE Live (Olivier De Baere: olivier@nextmeeting.eu)

◦ poster abstracts published in Frontiers Neuroscience (managed by Rufin Vogels)

◦ 3 best poster prizes

- registration at www.belgianbraincongress.be (or via www.braincouncil.be)

- **deadlines** : poster abstracts - August 15 ; e-posters – Sept 30 ; early registration – Sept 15 ;
Brain’Art Challenge – September 3, 2018.

- webcast coordinator : Rachele Franzen (ULg-GIGA-Neurosciences)
